*Do you want go to up?*

- 1 Hello my name is CHUKU EMEKA, from Abuja, Nigeria. Let me tell you my school story. This year my friends and me are in form 3 and we must work hard **to pass**. It's serious because we must go up to form 4 and **sit for** the BEPC **exam** next year. If we work very hard, we will pass. You know, our **aim** this year is **to improve** our English results. Last year we didn't get **the average** in English. That is why, I encourage my friends to work hard in all the subjects. If not, we will **stay down**. And perhaps we will **be sent out** of school. But this will not happen if we are not lazy. We must work together and help each other. We must always be on time. We must also be respectful to all our teachers, and we mustn't **cheat**. We must not be late. Okechukwu and Oteka are my best friends of school. Two years ago, they were in form 2 in Lagos, they joined my school this year because it is a school of excellency.
- 10 They were good students so they were **prized**. They even join the English club and together we sing the national anthem on Mondays. They are new students but I introduced them to my friends and they really respect everyone including the rules of the school.
