

BAC Blanc 2018

Collège St Charles Lwanga et Lycée Moderne Ferkessédougou

## **CORRECTION DU SUJET D'ANGLAIS LV2**

### **SERIE A2**

**Part one: Reading**

40%

**A) 2 points / bonne réponse**

2-points to; 3- empirical; 4-dropping out; 5-recognition; 6-impedes  
7-sequencing 8-exogenous; 9-attainment; 10-outcomes; 11-plausible.

**B) 2 points/ bonne réponse**

- 1- school girls.
- 2- because school girls continue school after birth.
- 2- the studies do not provide information whether adolescents left school and got pregnant or vice-versa.
- 4- When they do poorly in school.
- 5- When parents have no money and also the social environment which influences them with bad behaviors.
- 6- School dropout; childbearing; STDs.
- 7- A person aged between 13 to 18 years old.
- 8- Alcohol; smoking; violence.
- 9- Everyday sicknesses; laziness; regular absence; busy to take care of the new born.
- 10- due to poverty; a lot of illiterate people; traditional education in the developing countries hardly deals with sexual advice.

**Writing**

(40%)

**Task 1**

- Heading: **2 points**
- Introduction: **4 points**
- Conclusion: **4 points**

\*Development: **30 points.**

- The student must make precision of his/ her area
- where the school girls live.
- their average age.
- the persons they go with.
- their attitude towards fashion.
- their interest in their studies.
- suggestions for reducing girls' dropout.

**Task 2**

-Introduction : **5 points**.

-Conclusion : **5 points**.

\*Development : **30 points**.

-Explanatoin : **15 points**.

(poverty of the parents who can no answer their daughters' needs; bad friends they go with; friend group spirit; fashion ; desire to obtain everything easily; consequently they get pregnant and are no longer willing to continue school or parents can no bear the financial charge that it implicates...)

-Suggestion: **15 points**.

( parents should give advice to their daughters about the risks they run in having early sexual contacts; parents must give attention to their daughters' needs; government should build dormitories for those who leave their parents and have no guardians in towns; Zero pregnancy in school teaching must be multiplied...).
